BARBOURVILLE, KY., FRIDAY, APRIL 28, 1922

ONE DOLLAR AND FIFTY CENTS A YEAR IN ADVANCE

## KIWANIS INVITE DISTRICT BANKERS HERE

The Barbourville Kiwanis, thru their executive committee, decided Monday to invite the District Bankers Association to Barbourville for their annual business meeting and outing in May. There will be probably from fifty to seventy-five men and their wives present. It is hoped that they will come in force and permit the good people of Barbourville and especially the Kiwanis to show them the kind of welcome we offer to real folks.

## COURT NEWS

James Lane, of Four Mile, accused in connection with the robbery of the Lockhard store near the L. & N. depot, four years in the penitentiary. Bill Inman, of Emanuel, malicious shooting and wounding of Ledford Peace, 16 months in the penitentiary.

C. B. Asher, bigamy, five years in the penitentiary. Asher is alleged to have married Mary Slusher twenty years ago in Leslie County by whom he had twelve children. Some time ago he married Lettie Collett, 16 years of age, and they have one child.

Joe Adkins, life sentence for alleged killing of Jerry Bowling. Adkins has filed a motion for a new trial.

Bart S. Reid has filed a bill of exceptions and transcript evidence to be used before the Court of Appeals, Frankfort, in connection with the sentence imposed upon him for the alleged killing of Will Lee, this court sitting being the last within his time limit for making such an appeal.

Chester Warren, for alleged killing of Ike Mills, ex-justice of the peace, jury unable to agree. Continued till next term.

Chad Warren, grand larceny, jury disagreed. Continued till next term.

## CANTATA

The Choral Club of Union College will present a sacred cantata, "The Ship of Life," by T. Mee Pattison, Tuesday night, May 2nd, at 7:30. Mabelle Heger, director. No admission will be charged and everyone is cordially invited.

## LOGAN HOSPITAL

Mrs. Mary West, of Wilton, underwent an operation for gallstones April 19th.

Mrs. Chester Haun is back in the hospital for a second operation.

Miss Sue Asher, of Jarvis Store, underwent an appendectomy on last Monday.

## LAUNCHING SUNDAY

Next Sunday is Launching Sunday on which day the Methodist Episcopal ministers over Kentucky will all preach on Education and especially in its relation to a drive for Union College Endowment.

We do printing of the first class.

## REVIVAL MEETING BEGINS

The revival meetings at the local Christian Church, conducted by Roger H. Fife and son, of Oklahoma, began on schedule time last Sunday. The son, Rev. Robert S. Fife, arrived on Saturday and assisted the pastor in starting the meeting, preparatory to the coming of the evangelist, Dr. Roger H. Fife, who arrived from Scottsdale, Pa. Tuesday morning. At the first appearance Tuesday evening the auditorium of the large church was full and the people were so pleased with the sermon and music that capacity audiences are expected during the entire time of the meeting.

Dr. Fife has been in evangelistic work for eighteen years and is considered one of the most successful in the Christian Church. Mr. Robert Fife, "Happy Bob," as he is commonly called, makes a decided hit as director of the music and in his trombone solos. The music of the revival alone is worth the meeting. The entire audience takes part in the singing of the new songs.

Tuesday evening Dr. Fife preached on "What the Christian Church Believes." He showed that the purpose of the church is to promote and teach only the simple doctrines set forth in the New Testament. This he characterized as the "Restoration movement to unite the people of God by a complete return to the teachings and practices of the New Testament church." He showed that the Christian Church stands upon and contends for only the fundamental Bible teachings upon which all orthodox christian people are already agreed. He said, "All orthodox christians believe in the Bible as we do, and are agreed as to what the Bible teaches; but we differ concerning things some people teach that are not in the Bible."

Special services are announced up to the middle of next week:

Friday night—"Sinners Night." Sermon, What the Sinner Must Do. Saturday night—"The Unpardonable Sin."

Sunday, 9:45 a.m.—Candle Demonstration in Bible School.

11: a.m. "Future Recognition." 2:30 p.m. Special sermon to men. "The Time That Never Came." (The ladies are also invited.)

7:30 p.m. The Divinity of Christ. Monday night—Sanctification.

Tuesday night—The Church that Jesus Built. (Chart.)

Wednesday night—The Apostasy and Reformation of the Church. (Chart.)

Thursday night—Fishers of Men.

The evangelists are putting some special features into each service. In the sermon to men on Sunday afternoon the evangelist will speak on cleaning up the town. Ladies will also attend this service and a ladies chorus will sing. The men will sit in a body in the main floor of the church. A similar meeting for women will be held next Sunday and men will also attend to hear the sermon to women.

Who would be without the home town paper?

## The End of a Perfect Day

## W. W. EVANS ELECTED COUNTY SUPERINTENDENT

Saturday of last week W. W. Evans was appointed superintendent of schools of Knox County in place of E. B. Hemphill. Mr. Evans has held the post in the past and his many friends are looking forward to a successful administration of the office of superintendent. The new laws which have been passed during the past two years by the Assembly have a direct bearing upon the improvement of schools and there is a great opportunity for a conscientious man to do great good for education in Knox County. The best teachers are none too good for the country child and every effort should be made to see that the buildings and equipment are absolutely up to date. As it is, there is no equality in the opportunities for education for the country children as against the town children. We should hold up the hands of the new superintendent in securing what may be had for the country children.

In our foolish suspicion we downed the amendment that would have helped every mountain county in the matter of funds and we should repent in prayer and fasting and also in good works to try and undo the harm we did the children at that time.

We can do this by letting Mr. Evans know that we are pleased with every improvement he may bring to pass. He has the most important job in Knox County today and on his shoulders rests, to a very great extent, the social and educational well-being of the country children—our future citizens!

## SUDDENLY BLIND

About a month ago Stanley Martin, the thirteen year old son of J. D. Martin, discovered that he was totally blind in one eye. He was a student at B. B. I. and the night before his eyes had been all right while he was studying. So far no cause has been found and Mr. Martin will take the boy to a specialist. A similar case of going blind over night without pain is reported from Fairfield, Wis., this month. Such cases are unusual. We hope that the cause will be found and removed so that the boy's sight will be restored.

## E. T. BAILEY GIVES ONE LEGGED LECTURE

Thursday night of last week Eldwood T. Bailey, lawyer and lyceum lecturer, delighted his audience at Union College with his excellent talk made under disadvantageous circumstances, since he sprained an ankle at our splendidly lighted depot when crossing the track to the auto in the early hours of the morning.

A man who can stand on one leg like a blooming human stork and for an hour and a half keep his audience amused or interested in the larger phases of things as they are or ought to be, as treated in his lecture "Building a Statue in the Niche of Life," while suffering as the lecturer must have done, deserves a first class statue himself.

Mr. Bailey gave us one of the best numbers of the Lyceum Course and we shall be glad to have him return next year.

Now is a good-time to take advantage of a rainy day and repair the farming tools.—County Agent.

## COUNTY HEALTH BOARD URGES CLEAN UP

The County Board of Health joins heartily in the co-operation of the proclamation by the Governor and State Board of Health and hope to have the co-operation of the city and county officials and civic bodies in seeing that the town, the streets, alleys and back yards, privies unconnected with sewers are thoroughly cleaned and put in a sanitary condition and will do every thing in their power to make Knox county a clean and sanitary county to live in. We want especially to impress on the citizens of Barbourville, Grays, Flat Lick, and the other smaller towns the importance of carrying out the ideas of the proclamation for the future health and prosperity of Knox County.

G. H. ALBRIGHT, M. D., Health Officer of Knox County.

## ARTEMUS SCHOOL COMMENTS

The school faculty here is the best I have known. Mrs. John W. Hughes, Mrs. Della Brown, John M. Davis and Mrs. Davis have done fine work.

Several entertainments have been given which have been distinguished by excellent attendance and good behavior, due to the respect shown for Mrs. Hughes' love for order, which is complimentary both to her and to the audience. Little children rarely move to speak during the programs. The play, "Aunt Sophronia," was given by the High School and was well attended on Saturday evening, April 15th; proceeds were \$30.00. The following pupils are in the High School:—Hercules York, Daniel Foley, Norma Hoffa, Ethel Rains, Wenoma Hill, Mittie Westerfield, Helen Webb, Edith Hollifield, Hallie Gibson, and Della Taylor. In the play the eighth grade boys were kind enough to help out by playing important parts. Among these were Herman Kinder and Roy Kinder. All did their parts without a bobbie. Norma Hoffa as the professor, and Mittie Westerfield, the Irish woman, were very fine.

Preliminary to the play, Miss Mary Westerfield, an advanced pupil of Mrs. Davis' and others took part with music and readings.

The program given by the music and expression pupils on Monday showed that the thirty to forty who took part are making rapid progress. "So Do I," given by Mrs. Davis, brot an encore of course. We are glad to see the mutual love and appreciation that exists between Mrs. Davis and her pupils.

We are pleased that all the teachers have been re-elected, with the exception of Mrs. Hughes, who has declined to teach here next term as she will teach in Barbourville. We shall greatly miss her.

—A Friend of the Schools.

Judge J. D. Tuggle and J. B. Campbell acted for plaintiff and R. N. Jarvis for defendant in the Southern Jellico Coal Co. against Jack Mays which was the first case in which women jurors sat in Knox County.

During the week Junior Agricultural Club members have had 25 settings of eggs from the office of the County Agent.

The Mountain Advocate gives the news of Knox County.

## BREAKFAST WHEEZES

If you can't make both ends meet make one end potatoes, says the town philosopher.

Clarence Banks, hence his ability to buy three story buildings.

A queer thing happened to Robert W. Cole Sunday. He was driving his car and when he turned round the wheel spoke.

Was it a Knox Countian who sent in ten applications for congressional pea seed before confessing he was using them for pea soup? The Republican, which tells the story, does not enlighten us.

Clarence Parker spilled ammonia over himself the other day and later mounted the trick mule which took one whiff of him and put thru his whole bundle of tricks.

Don't make your goodness so appealingly plain that ordinary people shy from your odor of sanctity.

The young fellow who is content to stay contented has arrived as far as he is going. Divine discontent is a world beater.

## CONTEST AT U. C.

The Eastern Kentucky Oratorical Association will hold its annual contest in Union College Auditorium Friday evening, April 28, (tonight) at 7:30 o'clock. Asbury, London, Eastern Normal School, Berea, Williamsburg and Union will be represented on the program. The boys will give orations and the girls declamations. Bernice Humfleet will represent Union. This contest will be a most interesting one and we hope our friends in town will come out and give our visitors the inspiration of a large and appreciative audience. A small admission fee of ten cents will be charged.

## BERNICE HUMFLEET WINS FIRST HONORS

Union College held a contest on Monday night to see who among the students should represent U. C. in the Cumberland Valley Declamation Contest to be held at Union College on Friday night, April 28th.

Miss Bernice Humfleet, who is in freshman High School and who is but fourteen years of age—the youngest to enter the contest—won first place. Miss Ethel Miller second, and Miss Irene Carnes third. Judges were Mrs. G. F. Tinsley, Miss Olliver and Prof. Caywood.

The charge for admission on Friday night will be 10c and as this will be an interesting contest citizens generally are urged to attend. Miss Bernice is being congratulated on the showing she made.

Remember the contest tonight at Union College. Go and help your home town contestant to win.

Some one took Miss Laura Hayes' umbrella by mistake from the Logan Hospital, Thursday. The umbrella bears the initials L. A. H. Please return to Miss Laura.

On account of machine trouble some very excellent copy is held over for next week.

## THE ELEPHANTS ARE COMING

Hugo Bros. Great Consolidated Shows Will Exhibit Here Friday, May 12

This announcement is hailed with delight by the juvenile element, while some of the "older boys" are already looking about for their stray nephews and nieces. They are saying they will probably have to go to take the children to see the animals. But deep down in their hearts they know they would not miss the big show if there were not a small boy within a thousand miles of Barbourville on circus day.

Many new and novel features will be seen in this year's program of the Great Hugo Bros. Show. Foremost among these will be the Flying Jordans, daring and intrepid aerialists; the Silvertown Trio, dancers on a lofty double wire; the Alpine Sisters, dainty and marvelous equilibrist; the peerless Potters, gymnasts; the Nelson family acrobats and two score educated Shetland ponies, monkeys and dogs. The clown congress is a large one and is headed by Arthur Berry, Andy Rice, Sam Lewis and Valdo. In the menagerie will be seen Tom Tom the largest elephant in captivity. The big show travels aboard its own special train of railroad cars.

There will be two performances, at 2 and 8 p. m. the doors opening an hour earlier to permit a concert of popular and operatic music by Prof. James Norman and his military band. A series of free exhibitions will be given on the show grounds at 1 and 7 p. m. in addition to a band concert on the down town streets at noon. The town and surrounding country is heavily billed for the appearance of the big show and local merchants anticipate the largest crowd in town on show day in years.

An immense menagerie is carried with the big show which includes Tom Tom, an elephant weighing 5 tons and standing 10 feet and 4 inches high.—Adv.

## CIRCUIT COURT SUMMONS WOMEN JURORS

For the first time in the history of Knox County, women have come in to their heritage as jurors in civil cases, they having been called to that duty at the present term of Circuit Court. It is needless to say that "they seen their duty and done it" in the most approved fashion. They displayed an active interest and intelligence that greatly pleased the court. Those called to help make up the two juries were Mesdames Haskell Golden, Lena Martin, Lela McWilliams, Alice Elam, Ella Black J. D. Tuggle, Lizzie Herschberg, W. H. Green, Sarah Baker, E. B. Dishman, Cora Black, Kate Hampton, J. R. Tuggle, Nola Minton Viall.

We congratulate the ladies for breaking the ice in our somewhat conservative city. It is a further sign that women will not shirk the duties imposed upon them by good citizenship, but will do what comes to hand cheerfully and efficiently.

## The Federal Reserve System

is the greatest stabilizing force in American business today, the safeguard alike of industrial and commercial interests as well as of the banks.

This bank belongs to the FEDERAL RESERVE SYSTEM, and it offers its customers not only the protection which such membership affords but also the use of the broad facilities of the System—facilities which enable it to render a banking service of the greatest scope.
